Shall the City of Lebanon continue fluoridation of the public water supply?

By MARCI RICHEY, CLERK
12:01 pm Deputy

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The City of Lebanon provides drinking water to city residents and businesses. As part of this process, Lebanon has fluoridated its water supply since 2001. This referral directs the City of Lebanon to continue fluoridation of the city water supply at levels recommended by the U.S. Department of Health and Human Services.

Fluoridation is funded through city water fees and managed by the Director of Public Works. The use of fluoride compounds in the water system costs approximately \$25,000 annually which includes materials, chemicals, and staff time.

Explanatory Statement 500 words that impartially explains the measure and its effect.
